

2010 Faculty Loan Repayment Program

**Up to \$40,000 to repay Student Loans
for a 2-year service commitment**

**Applications accepted March 16, 2010
until 5:00 p.m. ET April 22, 2010**

Purpose of the Program

The Federal Government seeks to recruit caring and dedicated health professionals to serve a vital role educating tomorrow's practitioners

Individuals selected to participate in the program agree to serve on the faculty of an accredited health professions institution (college or university) for a minimum of two years. In exchange for that service, the Government pays up to \$40,000 of the faculty's student loans.

Who is Eligible?

Faculty members who are degree-trained health professionals from disadvantaged backgrounds.

Pediatric Dental Faculty:

In fiscal year 2010, an additional \$2.5 million is available to provide loan repayment awards specifically for pediatric dentists from disadvantaged backgrounds who are employed as faculty members.
